

## Organ Donor Story Display Order Form

We suggest starting the program with two displays. Please note:

- You will need Lucite brochure holders. You can order them through UW Health at a cost of \$16 (\$8/holder), or obtain your own holders. The materials are designed for a standard 8.5 x 11” sign holder. The inserts fit a standard 4” pocket. (see .pdf for sample)
- We will send you two display “signs,” that slide into the Lucite holders.
- To fill your displays, we will send you two packs of 50 inserts/take-aways, one pack for each display. One pack will feature a donor story, one will feature a recipient story.
- To re-order, email Trey Schwab, indicating your need for more “story inserts,” and the quantity you desire. There is no cost to you to order additional inserts/take-aways.
- If you later decide you want more than two displays at your hospital, email Trey.
